

Dear guests of ECEM 2017,

We informed you a few weeks ago about the construction sites affecting all routes from and to Wuppertal. Based on the collected data about the peak arrival and departure times of many participants, we are offering a bus shuttle service at the following times:

From Düsseldorf Airport -> Wuppertal (Historische Stadthalle)

August 18th	06:00pm	09:00pm	11:00pm	
August 19th	01:00pm	03:30pm	07:00pm	
August 20th	11:00am	02:30pm	04:30pm	07:30pm

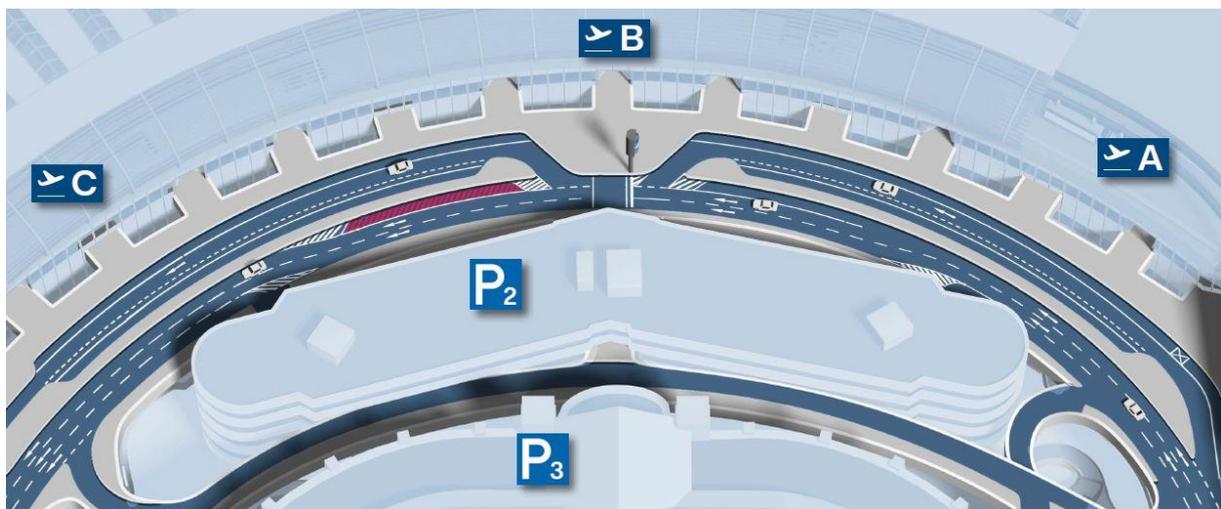

From Wuppertal -> Düsseldorf Airport

August 24th (University)	06:00pm			
August 25th (Historische Stadthalle)	07:00am	09:00am	11:30am	02:00pm

The shuttles will not stop in between.

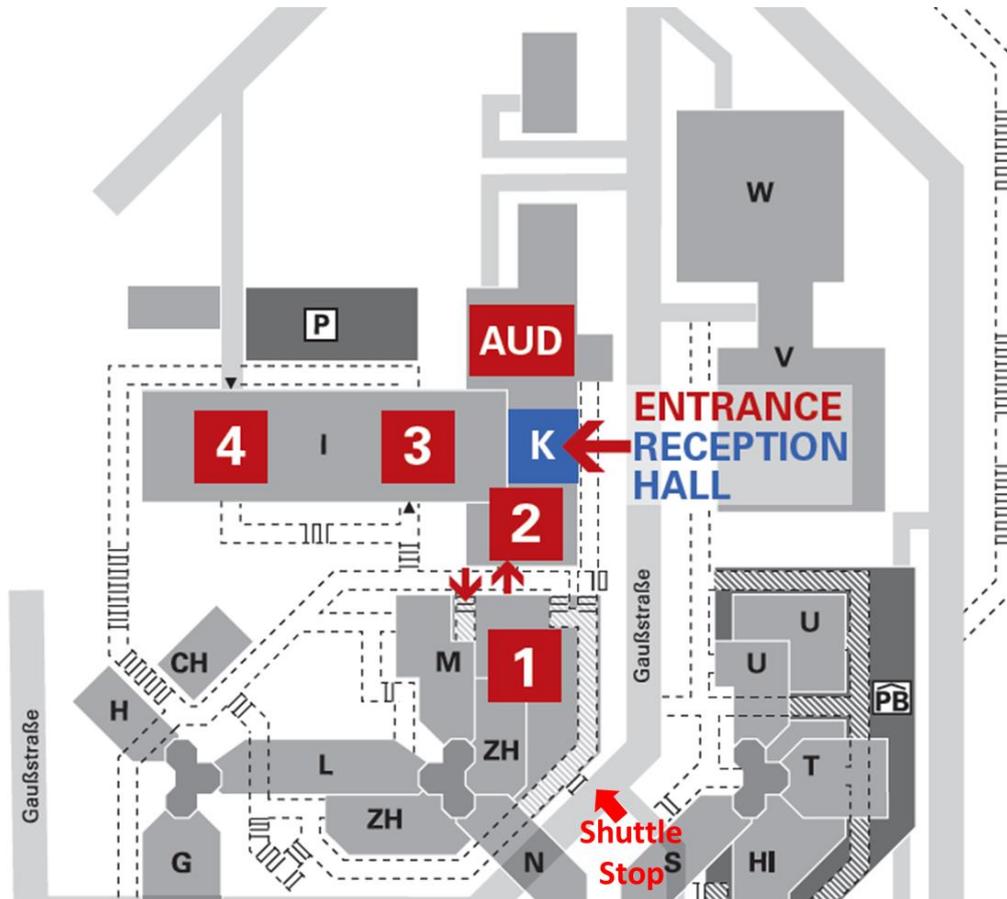

Meeting Point Düsseldorf Airport:

Once you arrive at the airport, please go to the shuttle waiting area, which is located outside the building between Terminal B and C (marked in red). An ECEM 2017 team member in a light green shirt will be awaiting you.

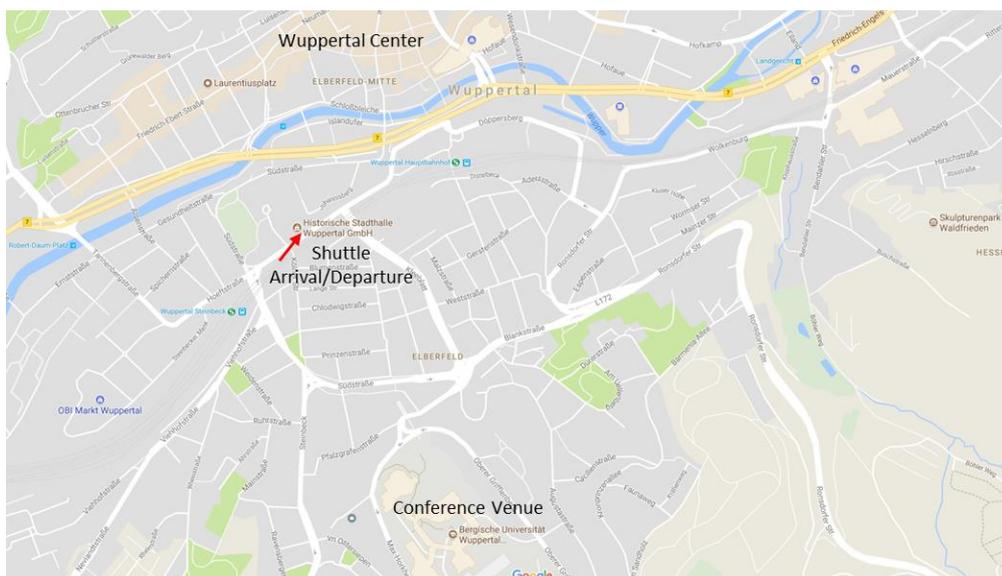

Meeting Point Wuppertal:

On August 24th at 6pm, the shuttle will be awaiting you directly at the Conference venue:

All other shuttles will arrive/depart in front of the “Historische Stadthalle”, close to most conference hotels:

Fees:

A one-way ticket will cost 10€. A return ticket 16€. Tickets can be bought directly at the shuttles. No reservation required. Please bring cash.

If your flight does not match our shuttle schedules OR you will be arriving/departing from a different location:

Railway replacement busses are running constantly. They might be slightly more expensive and less convenient, but they will serve their purpose. Please check <https://www.bahn.com/en/view/index.shtml> and enter your date, location and destination. Usually, you should still arrive faster and more comfortable by waiting 30-40 minutes at the airport for our shuttles and grab a coffee, though.

Please note:

If you arrive at Düsseldorf airport and can NOT take our shuttles, you first have to use the SkyTrain (<https://www.dus.com/en/arrival-and-departure/skytrain>) and get off at "Bahnhof Düsseldorf Flughafen".

If you need more information, do not hesitate to contact us: ecem2017@uni-wuppertal.de

Sincerely,

Anne Friede & Andre Rölke
